CUTTING OFF HYDE PARK.

If there be a "grease spot" on your clothes, step at the grocer's on your way home and get a cake of Ivory Soap. Apply it to the spot with a piece of flannel, wet with hot water; rub well, then wet a clean piece on the flannel and rub again to remove the soap. If the spot is of long standing, use a nail brush. Ivory Soap may be safely used upon any cloth, for it will not impair its strength or change the color.

A WORD OF WARNING.

There are many white soaps sold represented to be "just as good as the Ivory"; they ARE NOT, but they are cheap, and the genuine and remarkable qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it.

TAR-OID

NATURE HAS NO BETTER REMEDY

Tar-oid Cures Coughs, Colds, Croup, Bronchitis, Various Throat Troubles, and Consumption.

Tar-oid is soothing and healing. It can compare with any of the other remedies which are prepared for the cure that all these diseases are caused by coughs, colds, or sore throat. The first cure is a cure of other colds in the chest and head and throat. Tar-oid cures by its own and the soothing of cold under it. It cures all the above troubles, because it eliminates repulsive properties. It never fails. Checking cough relieves every pain. It cures like a charm. It repairs destroyed tissues. It stops the bleeding and healing of the throat, bronchia, etc. It forces the blood another time, heals and throws disease off the system. There is positively nothing else like it.

Tar-oid cures every case of Piles. We represent a case of without the bleeding. It gives immediate relief. It is safe, yet guaranteed to be active.

CHICAGO'S BEST PHYSICIANS ENDORSE IT.
